

Life Group Covenant

Purpose Method Journey Multiply

PBC's Mission Statement: Loving and Leading People into a life-changing relationship with Christ.

Purpose

PBC Life Groups foster meaningful relationships and spiritual growth in small, loving, and Bible-centered communities.

Authenticity

Life Groups are about "keeping it real"— being ourselves and being honest; celebrating the good; sharing our struggles.

Respect

Ephesians 4:29 encourages us to speak the truth with love and to use our words to build others up rather than tear them down.

Confidentiality

Trust is the cornerstone for a successful Life Group. For this reason, issues that are discussed within Life Groups should not be shared outside of the group.

Discipleship and Growth

Jesus told the disciples to "Go Forth and Multiply." That is the goal for Life Groups—to grow and multiply the ministry. Life group leaders should disciple their members in preparation for the beginning of new groups. The goal is to start a new group from an existing group.

As a Life Group Member, I agree to attend regularly, with a prepared heart and mind. I agree to share both my life and my spiritual questions and insights. I agree to be held accountable in my relationship with Christ. I also agree to pray regularly for my Life Group members.
